

The Royals

Expectations:

males:

- Serve in the military/Royal Navy

King/Queen:

- Signing the laws without questioning
- read out government's legislative programme

members of the Royal family:

- shake hands
- represent the country at opening
- present at national ceremonies
- 'invasion in privacy' considering servants
- destroys intimacy/relationship
- the servants have their 'egos' and needs, so you have to be considerate all the time.
